Sky's The Limit "Investor" - Investing in people helping people build the Observatory.

Yes, I am going to invest in Sky's The Limit Observatory Educational Center.

I want to be a member of the Galaxy 72 Investor Club and will commit to 72 months of tax deductible giving:

\$10 \$15 \$20 \$30 \$40 \$50 or \$_____ for 72 months.

I prefer to give quarterly semi annually (rather than monthly).

(This is a 72 months commitment of to support the Observatory. It is not a legal promise to give for the 72 months)

I want to invest but not as a Galaxy 72 Investor Club member. Enclosed is my one time tax-deductible donation of \$_____.

I choose not to give right now, but I am interested in receiving Observatory progress reports.
